

COMPANY OVERVIEW

NovaTech Solutions Pvt. Ltd. | Confidential Document

1. About NovaTech Solutions

NovaTech Solutions Pvt. Ltd. is a technology-driven retail and distribution company founded in 2015, headquartered in Bangalore, India. We specialize in providing premium consumer electronics, accessories, and smart home products to customers across India and international markets. With over a decade of experience, NovaTech has grown from a small e-commerce startup to a trusted brand with more than 500,000 customers served.

2. Our Mission

Our mission is to make cutting-edge technology accessible and affordable to every household. We are dedicated to delivering exceptional products, a seamless shopping experience, and world-class customer service. We believe technology should empower people, and we work every day to bridge the gap between innovation and the everyday consumer.

3. Our Vision

To be India's most trusted technology retail brand by 2030, recognized for quality, transparency, and customer-first values. We aim to expand our product portfolio into AI-powered smart home devices, wearable technology, and enterprise solutions while maintaining our commitment to sustainability.

4. Products and Categories

NovaTech offers products across the following major categories:

- Laptops and Computers
- Smartphones and Tablets
- Audio and Headphones
- Cameras and Photography
- Gaming Peripherals
- Smart Home Devices
- Accessories and Cables

Our product catalog currently features over 500 SKUs from both international brands and NovaTech's own private label line.
